That's all, Folks!

BUGS BUNNY
10¢

Here it is, folks! A whole book just chock full of the funny-est cartoons of the funny-est rabbit of all times

—Bugs Bunny!

There's also a goodly number in this second book of a close second, Daffy, cartoons about other favorites, starring Porky, Pig, Elmer Fudd, and Petunia Pig.

When you put together such a mixture like this all together, things just naturally go to a-happen, a-goin'-on, and a lot of stuff kinds of stuff, there, in store for you!
